oil on canvas  
165 x 85 cm

Sema, 1991  
oil on canvas  
192 x 70 cm

Andrey Krikis oeuvre explored the expressive potential of painting in abstract and semi abstract form. He lived during USSR when the state exercised almost total control on art production.

Through his art A. Krikis gradually disengaged from the ordered strategies, and moved toward an art based on intuition and synthesis that celebrates an exuberance of colour. The artist's presence is felt through the drama of the conceptual qualities of his canvases.

1940 – 1994 – Yaroslavl, Russia  
Based in Tashkent, Uzbekistan
